

## LED Siren BM 32 tne 24VAC/DC RD

| MECHANICAL DATA              |                           |
|------------------------------|---------------------------|
| Height                       | 171 mm                    |
| Diameter                     | 146 mm                    |
| Materials                    | PC<br>PC/ABS              |
| Dome colour                  | Red                       |
| Housing colour               | Black                     |
| Protection category          | IP65                      |
| Connection                   | Screw terminals           |
| cross-sectional area maximum | 1,50mm² / 16AWG           |
| Cable entry                  | Membrane grommet          |
| Cable entry minimum          | d = 1 mm                  |
| Cable entry maximum          | d = 13 mm                 |
| Tension relief               | Present (conforms to VDE) |
| Type of fixing               | Base mounting             |
| Working temperature minimum  | -30°C                     |
| Working temperature maximum  | +50°C                     |
| Weight with packaging        | 613 g                     |
| Product weight               | 452 g                     |

| ELECTRICAL DATA             |                    |
|-----------------------------|--------------------|
| Operating voltage           | 24V                |
| Operating voltage type      | AC/DC              |
| Operating voltage frequency | 50Hz               |
| Operating voltage tolerance | +/- 10%            |
| Rated operational voltage   | 24 VDC             |
| Rated operational current   | 420 mA             |
| Rated inrush current        | 300 mA             |
| Protection class            | Protection class 2 |
| Pollution degree            | 3                  |

| OPTICAL DATA         |                  |
|----------------------|------------------|
| Light source         | LED              |
| Light colour         | Red              |
| Optical signal image | Permanent        |
| Service life optical | 50,000 h maximum |

| ACOUSTIC DATA               |              |
|-----------------------------|--------------|
| Volume (max) at 1m distance | 108,0 dB (A) |
| Acoustic signal image       | Multi-tone   |

## LED Siren BM 32 tne 24VAC/DC RD

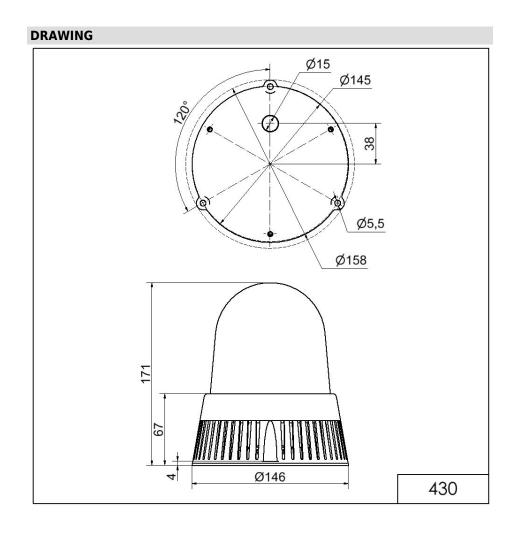

| Number of tones       | 32 tone         |
|-----------------------|-----------------|
| Acoustic service life | 5,000 h minimum |

| APPROVAL DATA                 |                       |
|-------------------------------|-----------------------|
| Conforms with CE              | Yes                   |
| Conforms with RoHS directive  | Yes                   |
| WEEE                          | Yes                   |
| Conforms with ATEX-directive  | No                    |
| Conforms with CCC             | No                    |
| Conforms with UL              | ULus                  |
| UL Type Rating                | Type 12               |
| Conforms with FCC             | No                    |
| Conforms with IC              | No                    |
| EAC certificate available     | Yes                   |
| Conforms with UKCA (Importer) | Yes (WERMA (UK) Ltd.) |
| Conforms with CMIM            | No                    |
| Conforms with AS-I            | No                    |
| ICAO Certification            | No                    |
| Conforms with DNV             | No                    |
| Conforms with RoHS CN         | No                    |
| Conforms with VdS             | No                    |
