

Essentia® Series Wall Wash Track

LED Linear Wall Wash
Track Head

MOUNTS ON A TRACK.
LIGHTS LIKE A FLOOD.
PERFORMS LIKE IT'S FROM CREE.

THE NEWEST ADDITION TO CREE'S FAMILY OF OVERACHIEVERS

A stand-out in its class, the Essentia® Series LED Linear Wall Wash Track Head fixture leads with better performance, truer color quality and longer life – at 100 LPW, that's 40 percent more than leading LED competitors. The Wall Wash Track Head comes with easy-on-the-eye optics that provide beautifully uniform, wide beams of light without fringing, hot spots or discoloration. The attractive matte-white lens eliminates harsh glare and pixilation while the sleek low-profile design with quality fit and finish minimizes footprint and blends effortlessly into the ceiling plane.

360° FLEXIBILITY TO TURN A FEW HEADS

Easy to install, fully adjustable and widely compatible with existing track systems, the Essentia® Series Wall Wash Track Head provides more lighting versatility, control and capacity. With a simple twist-and-lock installation on one- and two-circuit 120V track systems, the 12" version provides 360° horizontal / 180° vertical locking adjustment with angle markers and the 24" version allows for full 90° vertical aiming.

THE ASSURANCE OF CREE QUALITY

The Essentia® Series Wall Wash Track Head fixture elevates the industry standard for contractor-grade track lighting with a unique combination of design, performance and quality backed by a leader you trust. With a 50,000-hour life and industry-standard 5-year warranty, this system is ideal for retail showrooms, restaurants and hospitality, and commercial spaces.

CREE  TM

ESSENTIA® SERIES LED LINEAR WALL WASH TRACK HEAD

The Essentia® Series LED Wall Wash Track Head fixture, available in 2700K, 3000K, 3500K and 4000K, is an excellent choice for commercial, retail, restaurant and hospitality applications requiring high-output LED performance. Available in powder-coated white, black and silver finishes, these track heads deliver up to 6,000 lumens of beautiful uniform light at 80 CRI. Compatible with 1- or 2-circuit tracks, these track heads are durable as well, made with aluminum housing and backed by a 5-year limited warranty and an estimated 50,000 hours of maintenance-free operation. Available in both 12" and 24" models, the Essentia® Series LED Wall Wash Track Head fixture provides smooth, uniform light quality and an amazing 100 lumens per watt that delivers outstanding energy savings and versatility.

APPLICATIONS

Retail/Petroleum

Essentia® Series track lighting is flexible enough to keep up with changing displays and featured products. Precisely directional light enhances and dramatizes merchandise with 80 CRI that results in rich colors and textures to appeal to customers.

Restaurants

Add theatrical flair to bars, lobbies and other areas with Essentia® Series track lighting. Use the stylish lighting to complement blackout ceilings and put just the right focus on tablescape and architectural details.

Hospitality

The smooth light of Essentia® Series track lighting is perfect for creating intimate and inviting spaces. Direct your customers to counters, display objects of interest and add dramatic accent to decor.

Corporate Campus

Essentia® Series luminaires create appealing visual environments to help impress visitors and enable employees. Clean lines and balanced light distribution promote greater employee productivity while attractive pricing and impressive energy and maintenance savings color the bottom line green.
