

DuraLED B81 Contemporary Bollard

Designed to match our
B8T Contemporary
Light Column

LEDicated

Soft**LED**

The Contemporary B81 Bollard provides pedestrian and parking area lighting and complements our B8T Light Column. Opal LumaLens diffusers offers excellently controlled, uniform lighting. Typical applications include parking areas, walkways, and landscape accents.

- Energy savings of 80% or more versus comparable metal halide luminaires
- Opal LumaLens for soft lighting with uplight component
- Type V optical distribution
- Designed to match our B8T Contemporary Light Column
- Vandal-resistant, UV-stabilized opal polycarbonate lens protects internal components
- 16-22 watts, DuraLED arrays with a range of 1470-2850 lumens, to easily replace legacy 70-100 watt HID systems
- Available in 3000K, 4000K and 5000K CCT (others available by special order)
- Easily upgrade existing bollard installations using our RetroBase Kit (see reverse)

Catalog Number: B81QF1X22U*KL♦ (*3K, 4K, 5K; ♦B=Black, Z=Bronze)

Available Q4 2021
