

DuraLED Nautilus Bollard WMB12Q

The Nautilus Bollard provides pedestrian and landscape area lighting as a part of the Nautilus Family of architecturally styled luminaires. The Nautilus IP66 sealed full cutoff optics produces Type III, IV, or V distribution for excellently controlled, uniform lighting. It is ideal for an expansive range of applications including walkways, landscape accents, and pedestrian plazas.

- Energy savings of 80% or more versus comparable metal halide luminaires
- Internal die cast aluminum heat sink
- Type III, IV, and V Polycarbonate sealed IP66 lens
- Durable die-cast fixture with extruded aluminum tube with weather-resistant powdercoat finish
- Vandal-resistant, UV-stabilized polycarbonate lens protects internal components
- 10-28 watts, DuraLED arrays with producing up to 2,950 lumens, to easily replace legacy 70-100w HID systems
- Available in 3000K, 4000K and 5000K CCT (others available by special order)
- Easily upgrade existing bollard installations using our RetroBase Kit (see reverse)

Catalog Number: WMB12QF1X28U*KC◇; *3K, 4K, 5K; ◇Color
Available Q4 2021
