

**GNA01336**  
 with VP53 Series  
 Fixture and GNSMP3  
 Wall Plate

The Gooseneck decorative arms GN series is the contemporary style you seek for your exterior wall mounted adjustable luminaires needs. Engineered for maximum durability, each Gooseneck is made using heavy duty aluminum and offers 5 different arm designs with two wall plates. The Gooseneck decorative arms provide a classic design appearance for retail centers, universities, restaurants, service stations, and facilities needing architectural styled accent lighting.
