Technical Data

Mechanical Data

Thread	M3 × 8 mm
Installation Type	Aluminum profile with T-slot
Material	Aluminium 6063-T5
Surface treatment	Clear anodized
for Round Profile Diameter	12 mm *
For edge length	10 × 10 mm
Rod length	200 mm
Weight	25 g
Packaging unit	1 Piece

- 10 × 10 mm square profile and Ø 12 mm
- Flexible alignment options
- Profile length: 200 mm with T-slot

Thanks to the T-slot on all four sides, the innovative mounting profile is ideal for mounting the miniature design and other items. The mounting profile can be cut individually to smaller lengths.

* Single-sided, with a length of 50 mm trimmed off. The transition to a 10 × 10 mm square has a chamfer of 45°.
