

Retaining Clamp

for \varnothing 12 mm mounting bar/10 × 10 mm mounting profile

ZBSY002

Part Number

Technical Data

Mechanical Data	
Thread	M5
Installation Type	Profile
Installation Type	Round bar
Mounting Type	Slotted clamp screw
Material	Aluminum
Screw material	Stainless Steel
for Round Profile Diameter	12 mm
For edge length	10 × 10 mm
Packaging unit	1 Piece
Mounting Number	180
Suitable Mounting Technology No.	550

- Connects the mounting profile and rods vertically to each other
- Screw-type technology
- Suitable for mounting profiles and round bars

The mounting clamps function as a connection technology and can be clamped onto mounting profiles and/or rods.
