

# Muting Reflector System

RE6040BA, for Muting Arm

## ZMZG002

Part Number

### Technical Data

#### Mechanical Data

Temperature Range	-20...60 °C
Material	Plastic
Degree of Protection	IP67
Structure	Macro Structure
Scope of delivery	1 × reflector 1 × mounting
Packaging unit	1 Piece
Default settings	Pre-assembled

- **Pre-assembled for quick installation**

The muting reflector system is designed for attachment to the muting booms and includes all necessary mountings.

All dimensions in mm (1 mm = 0.03937 Inch)
