

NFC Adapter USB

ZNNG021

Part Number

Technical Data

Electrical Data

Max. Current Consumption	90 mA
Temperature Range	0...45 °C
Reverse Polarity Protection	yes
Number of IO-link ports	1
Interface	USB
Protection Class	III

Mechanical Data

Material	Plastic
Degree of Protection	IP20
Scope of delivery	USB extension cord type A/A
Packaging unit	1 Piece

USB Interface

- **Wireless settings via NFC**
